

A lot of things are
uncertain right now.

Weatherization isn't one of them.

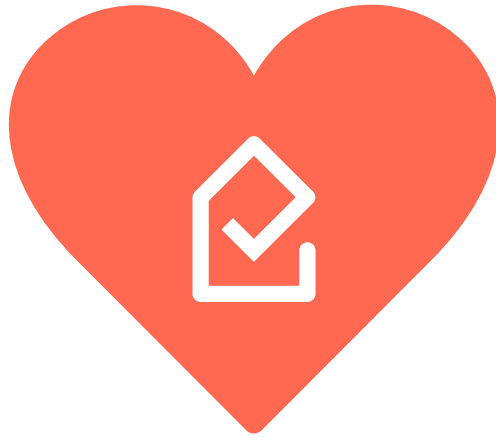

Most Vermonters **save hundreds of dollars each year**
after a full home weatherization project, putting more
money in your pocket that you can use right here rather
than sending out of state.

Find a DIY project list, rebates, and the help you need at

ButtonUpVermont.org

Save Money. Stay Cozy.

Have a little warmth to share?

Help your neighbors weatherize
their homes by making a contribution
to the **Button Up Vermont Fund.**
